OVERVIEW

Why limit a glassboard to one side? Re-think the way work spaces use writable surfaces with Flip by Clarus. Flip allows both sides of a Clarus board to be utilized for a heightened design aesthetic and elegant functionality.

DIMENSIONS

The patented design of Flip features self-leveling hardware and magnets. That means your board will fit snug to your wall, even if it is hung on an uneven surface.

COLORS BY CLARUS

Customize your glass with any color. Visit clarus.com/CBC to see the entire Colors by Clarus collection.

COLORDROP

ColorDrop print technology — a proprietary printing system exclusively by Clarus.
