

Beautiful lines and a slender profile create a modern conference chair with stunning aesthetics from all angles. Sola's arm extends from the base and gracefully sweeps back. The exposed veneer shell delivers striking design intent around a conference table while the fully upholstered version is a more tactile alternative.

Justus Kolberg designed Sola with minimal functionality and pure elegance to enhance conference spaces. The proprietary spring tilt mechanism provides a smooth rocking motion. The striking aluminum frame can be powder-coated or polished. Arm options include a utilitarian plastic arm cap, a stylish upholstered wrap, or a minimalistic exposed aluminum arm.
