

# QuickStand® Eco

**Humanscale's QuickStand Eco** is the next generation in portable sit/stand products. Sleeker, easier to use and comprised of more sustainable materials than ever before, it is a vast improvement over the current generation of sit/stand options. This work surface is available in laptop, single or dual monitor configurations. QuickStand Eco features simple setup, portability and near effortless adjustability — transforming ordinary desktops into healthy, active workspaces.

### Advantages of QuickStand Eco — The Next Generation in Sit/Stand:

- Merges ergonomics with height-adjustable functionality
- Designed with minimal, clean aesthetic
- Free of Red List Chemicals
- Complements any space: home or corporate offices, collaborative or hot-desking spaces, check-in areas and more

### Design Story

Humanscale is committed to function, simplicity and longevity. With minimal, fewer parts and long-lasting, high-quality materials, QuickStand Eco was designed to look and work as well in 10 years as it does today.
